As you know, SWO19 will be here before we know it. We are always excited to dig into discipleship with you guys and look forward to another great summer.

If you remember, there was a huge rush back in the Fall to fit your students into SWO18. We are appreciative of your trust and partnership as we worked to try to accommodate your needs. In an effort to continue to grow our partnership with you, we are changing our registration process for SWO19.

For the Summer of 2019, SWO18 groups will be able to pre-register for the same week and spots in SWO19. This will ensure your summer camp is secured for the following year. If you choose not to pre-register or desire to attend a different week for SWO19, open registration will begin September 4, 2018.

Please take some time to review the information below on how the pre-registration process will work. We are excited about how the Lord is blessing Snowbird and we are looking forward to seeing how he works in 2019. If you have any questions, please contact the Front Office at 828-321-2210 or email us at [thebird@swoutfitters.com](mailto:thebird@swoutfitters.com)
